Ref. A5-1106/38 dated 12th April 1938.

Sir,

Famine-Test works - Adoni-Siruguppa road and the branch road from Ravihalu-Harivanam - conversion into a relief work - sanction requested.

---

The test work Adoni-Siruguppa road and the branch road from Ravihalu-Harivanam was started on 21-2-1938. In the beginning the work attracted only small numbers, the numbers on the charge being 400-800. In the second and third weeks of March 1938, there was a slight increase in the strength as it went up to about 1000. But subsequently, the numbers have increased to such an extent that the total number ~~of~~ on the charge continues to be above 2500.

I inspected the work on 9-3-1938 and I found that most gangs are doing nearly the full task. The sudden increase in the number of workers from the fourth week of March 1938, despite the exaction of the full task indicates that distress requiring relief exists in the locality, which justifies the conversion of the test work into a relief work. I recommend that the Board may be pleased to sanction the conversion of the test work into a relief work under Section 53 of the Famine Code.
